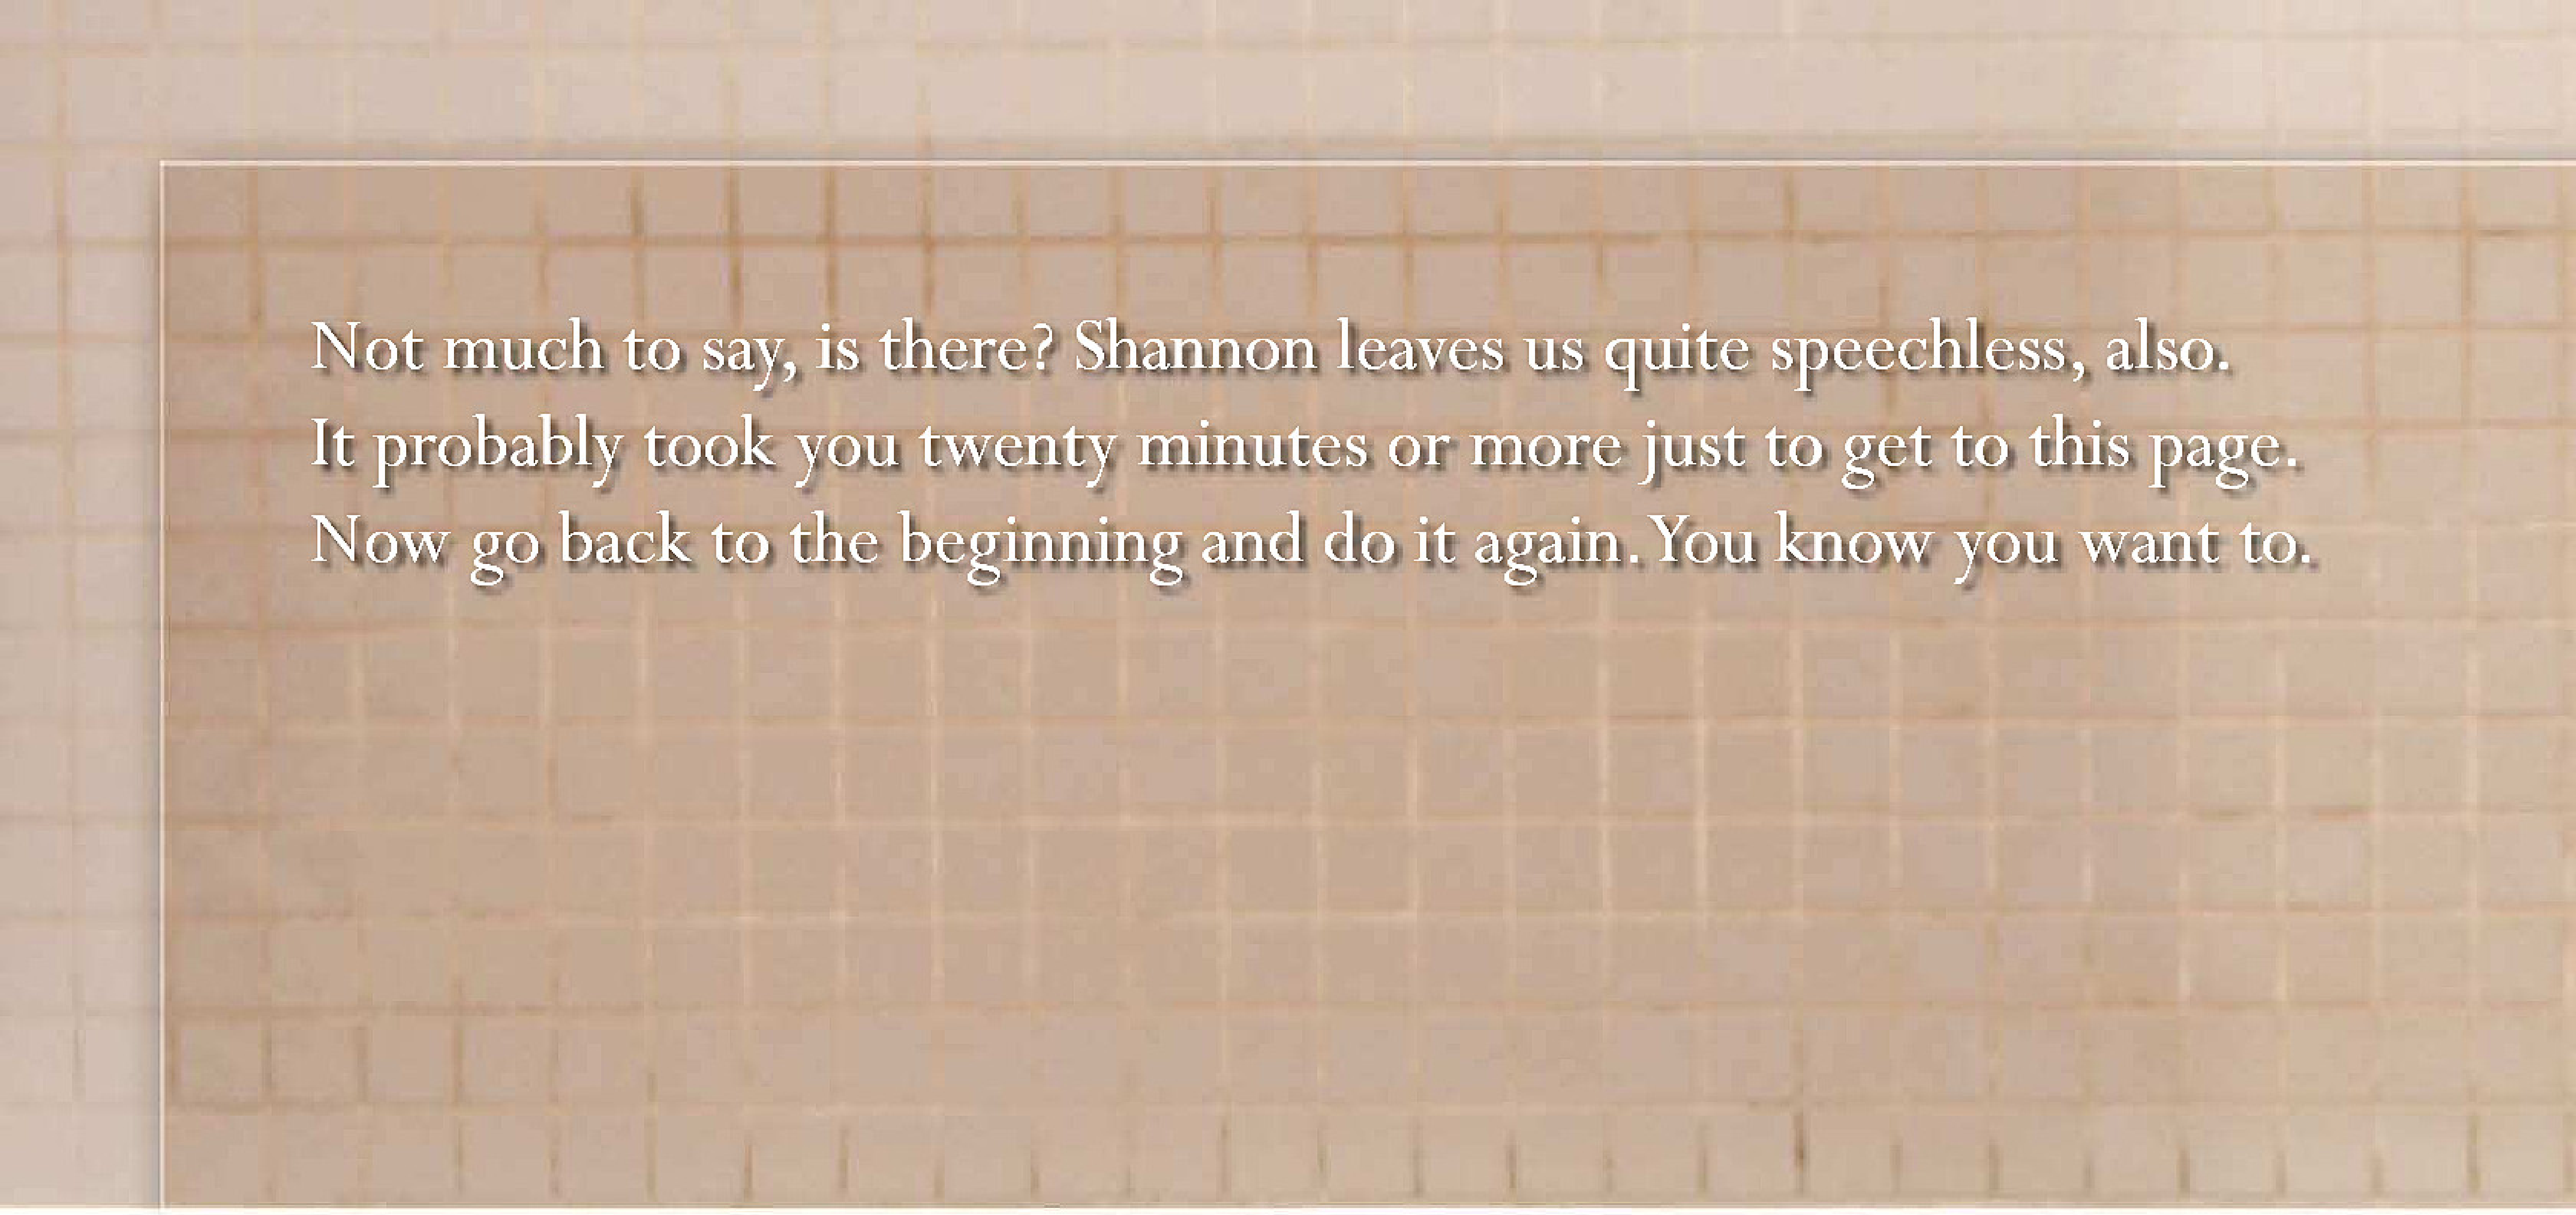
Not much to say, is there? Shannon leaves us quite speechless, also. It probably took you twenty minutes or more just to get to this page. Now go back to the beginning and do it again. You know you want to.



I was born in Russia and moved to the United States to pursue my modeling career.
My parents told me that we were related to Russian royalty.
Maybe not the best of it, but royalty nonetheless.
I left that all behind when I met my husband on one of my shoots.

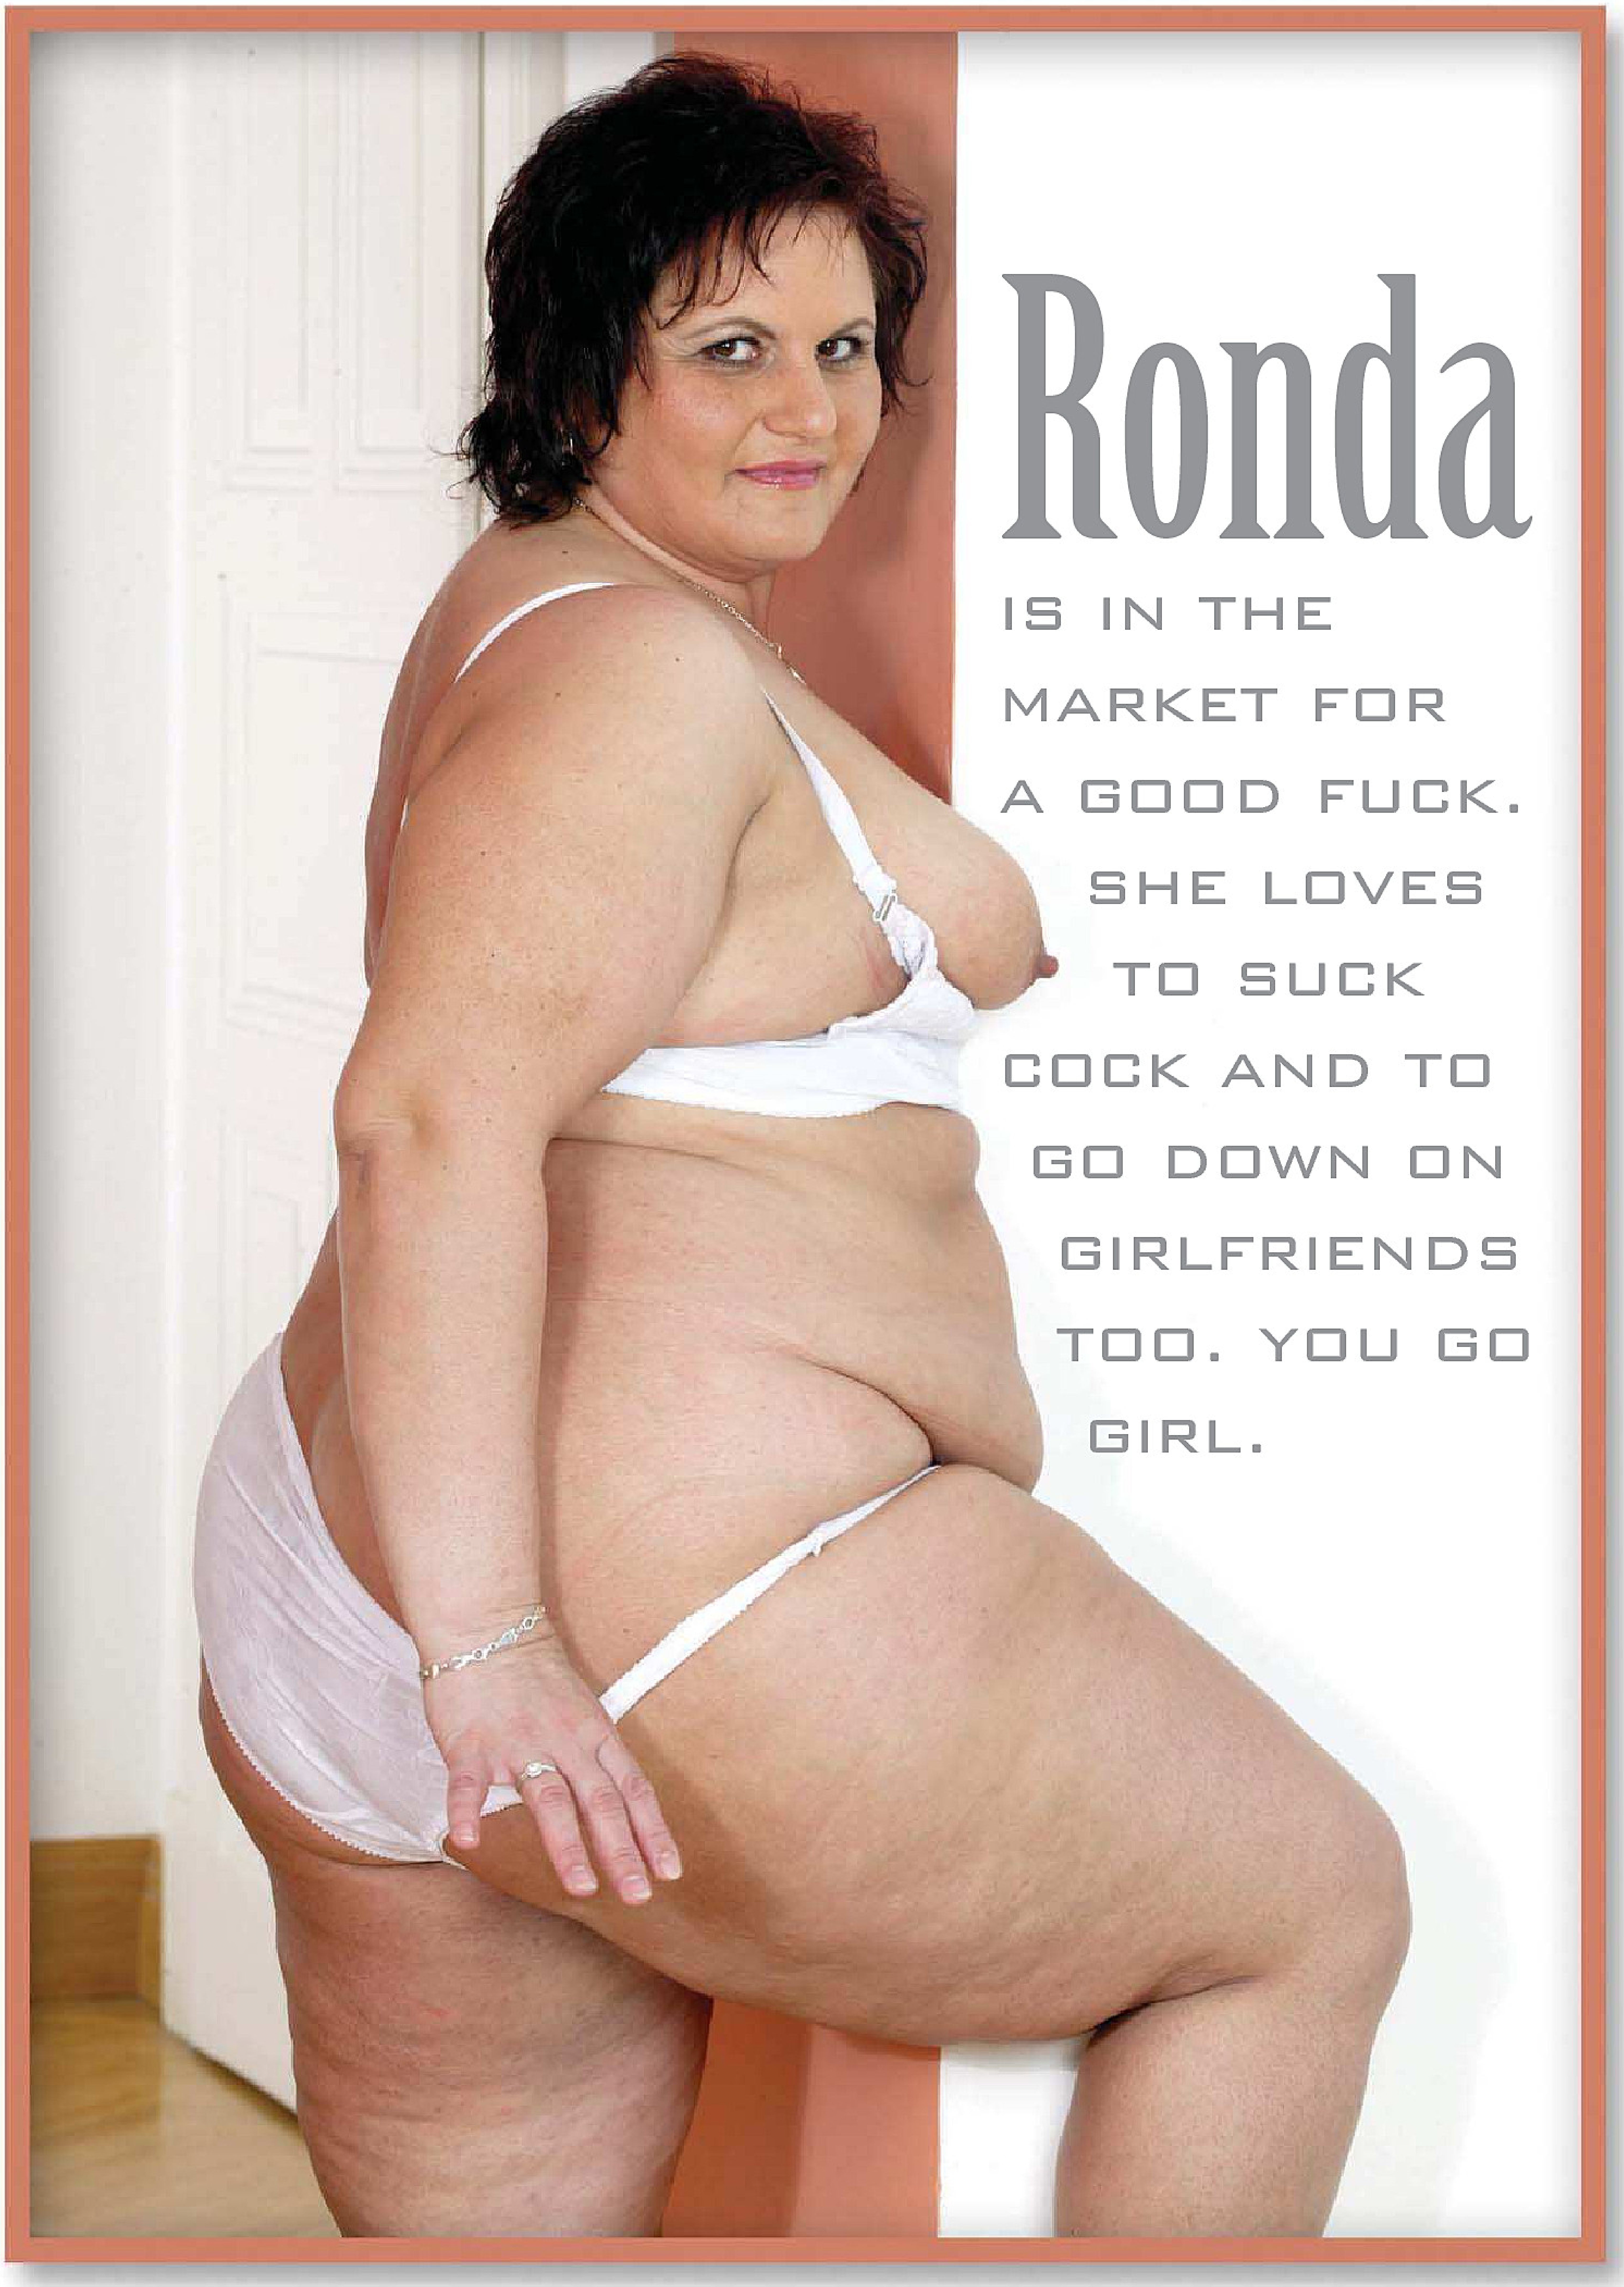
Princess Tatiana

GREAT, GREAT, GREAT, GREAT GRANDDAUGHTER OF IVAN THE TERRIBLE. OR SO SHE SAYS…

I like rough sex with all the hair pulling and butt slapping. My husband thinks I'm a little too wild for him so he let's me have girlfriends that I can sleep with. I like that. And he likes that too because I share them with him. We think it makes our marriage stronger, healthier and sexier!

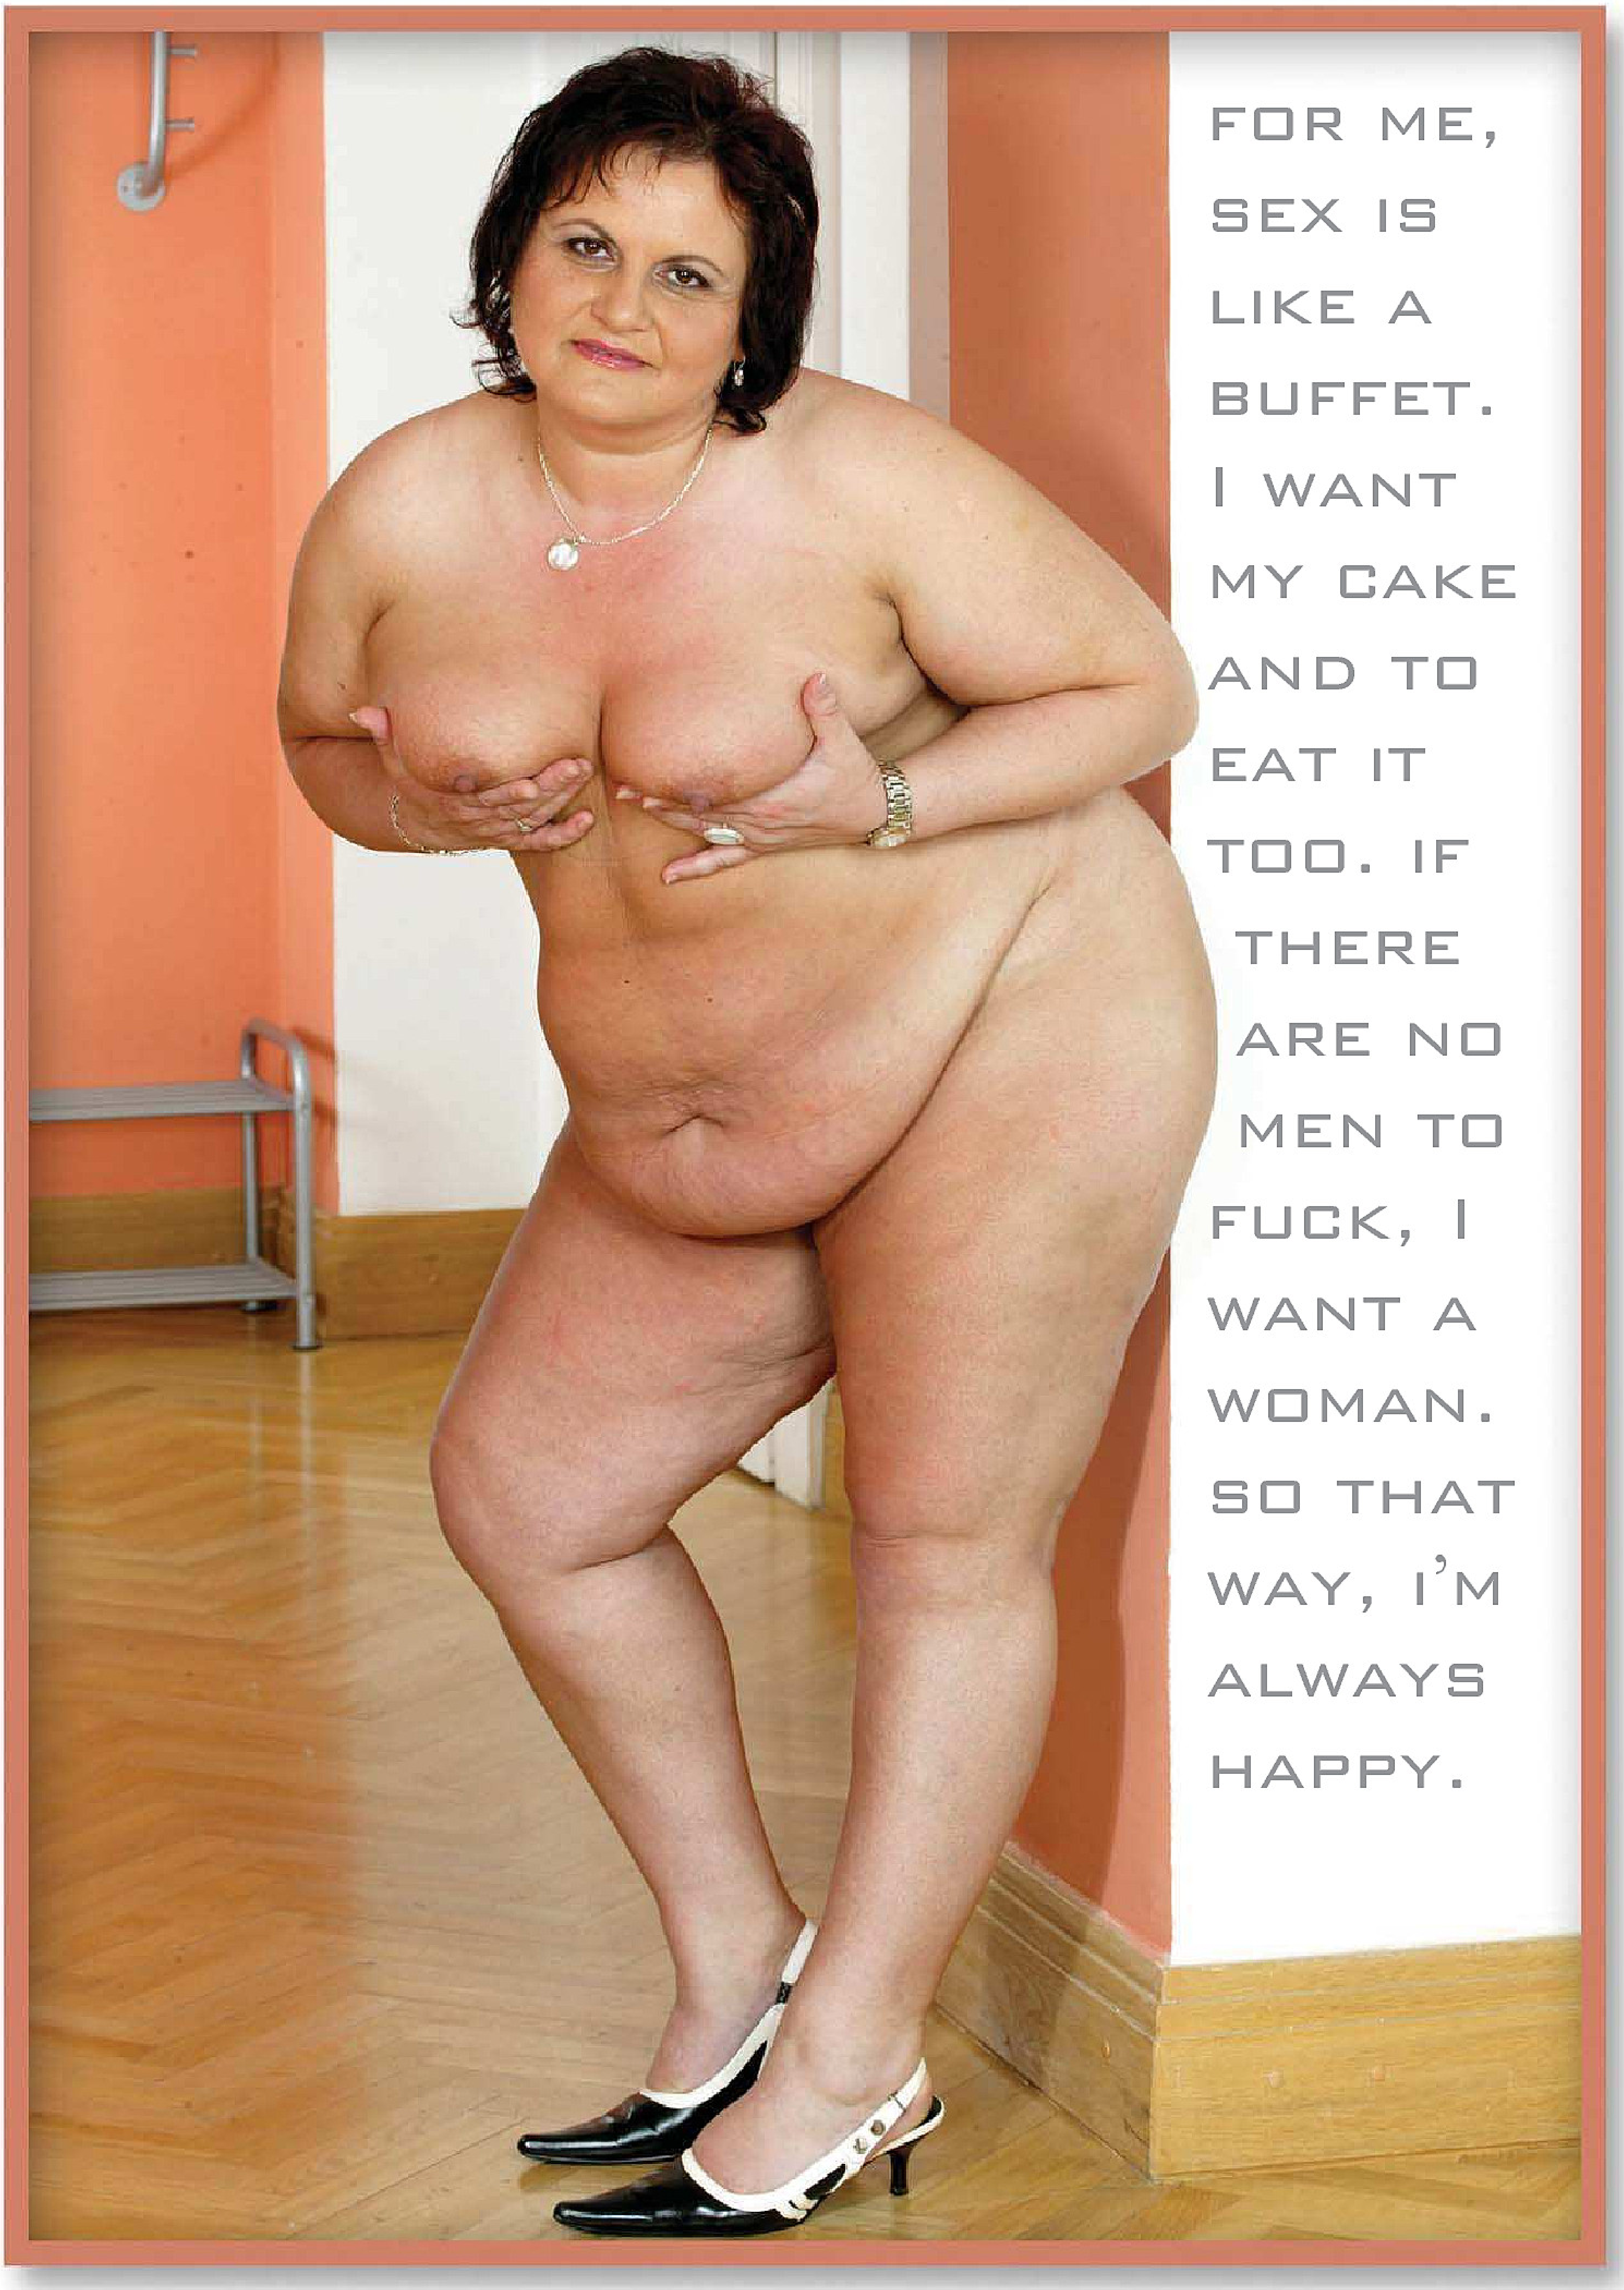
One special time I invited two girlfriends to join us, It was for his thirtieth birthday. What was great about it is while one was doing him, I had one all for myself. He said it was the best birthday present ever!

One year later I'm separated from my husband. He wanted to go be a farmer while I was a city girl. He gets up at 4 in the morning. I don't go to bed till 4 in the morning. Now he's happy taking out the cows while I'm happy going out with my girlfriends.



Ronda

IS IN THE MARKET FOR A GOOD FUCK. SHE LOVES TO SUCK COCK AND TO GO DOWN ON GIRLFRIENDS TOO. YOU GO GIRL.



FOR ME, SEX IS LIKE A BUFFET. I WANT MY CAKE AND TO EAT IT TOO. IF THERE ARE NO MEN TO FUCK, I WANT A WOMAN. SO THAT WAY, I'M ALWAYS HAPPY.

Fan fave April Sky returns with a sizzling pictorial and secrets on staying young at heart

One of our readers' favorite models is the voluptuous and sensual April Sky. Due to the overwhelming response to her pictorials we're pleased to bring her to you again. With her soft curvy body, angelic face and attitude of a naughty vixen, it is easy to see why she's a perrenial favorite. For this issue, we were able to get a few minutes with her to ask some rather personal questions and see if we can learn more about this wonderful creature. So sit back and let your imagination do the walking.

EDITORS: It's been a couple years since we last saw you. Can you tell us what you've been up to?

APRIL: I've been very busy. My grandchildren come over every weekend and I love to spend time with them. And I've been doing more modeling. I just love the camera and I hope that it loves me.

ED: We're sure that the camera loves you. Your smile is captivating and your body – well it is, too!

APRIL: Thank you, that's nice of you to say. I've been trying to work out, but it's tough to maintain a routine with my schedule. It seems the older I get, the less time I seem to get to pamper myself.

ED: We first ran your first pictorial a couple years ago. You don't look older. You look just fabulous!

APRIL: That's nice of you to say. I've got a young boyfriend and he keeps me young. We work out together, we cook together, we like to go dancing and, of course, he's great in the bedroom. (smiles)

ED: You may have found the fountain of youth. Can you share some of your sexy bedroom secrets?

APRIL: I'll tell you some of them, but I can't tell you all, Okay? First, we get in the mood with some romantic music and a glass of wine, or two. That may sound like a cliché, but women really like that. We talk for a while and then some long, soft kisses that get us both deeper into the mood. I cannot stress how important kissing is. You have to go slow, Enjoy it. Let the feelings take over.

APRIL: Then we start foreplay. Just gentle touching and caressing. I especially like my nipples pinched. Not too hard, but a little tweak here and there and it shoots a sexy sensation down my whole body. And when he uses his tongue and teeth on them, I feel crazier sensations through me.

APRIL: By now our clothes are off and the wine glasses are empty. He likes to go down on me ever since I shaved my pussy. Now that really makes me feel younger. It feels so smooth and he likes the way I taste. He usually starts the oral, but I like to push him away so I can suck his long cock. I've sucked many cocks so I know what he likes and I do what I can to please him.

APRIL: Then the real fun starts. I like mish and he likes doggie. But any position is good as long as he is deep inside me. That is not only a hot and sexy feeling, but a warm and loving feeling. Sex is fun, but sex with love is what life is all about! We sometimes cum together and I lick his cum. Mixed with the taste of wine and his cock, it's another level of arousal and fulfillment.

50+ YEARS TOGETHER

and it's so much hotter than ever!

Adriana and I have been married for more than 50 years and things just keep getting sexier. She is a brown haired beauty with big breasts that sag a little from the years but she still has an ass to die for. She's still sexually curious and loves to do anything unusual, making our sex life full of surprises. For a long time our favorite activity was for Adriana to sit on my cock pretending I was another man.

She'd tell me stories about how much younger her fantasy man was than me, her husband, and so I'd respond as if were her imaginary lover, telling her how beautiful and what a hot pussy she had. Over the years these playful encounters began to effect me and I couldn't stop fantasizing about Adriana making it with another guy. I asked her many times if she would really like to have sex with another man, but she said it's just for our fantasies. One evening while I'm fucking Adriana's gorgeous ass, I began telling her about what I'd been fantasizing. I explained that Harry was this young stud at the office, and thought he'd be hung. As I told Adriana that he always seemed like he was always talking about the women he fucked, she began to moan harder. I buried my cock deep inside her cunt as I began to describe his deep brown eyes and powerful build. As I finished whispering in her ear, she pushed her ass up against my hips and cried out, "Fuck me harder, Harry!" Adriana came for what seemed like five full minutes, and it that drove me wild. Hearing my wife call out for another man's dick made me fuck her even harder. One time I fucking her so deep, she began begging for it to be Harry's cock. The next day at the office I was supposed to bring up her fantasy to Harry. It was difficult for me , but somehow I thought he would go for it. Harry had met Adriana once before and he had made a comment to me about how sexy he thought she was. I got kinda angry but did not say anything too him at that time. I've mellowed a bit since and find him actually refreshing.

While I was having a business lunch with him, I suddenly found myself asking if he thought about fucking my wife. He did not hesitate to say, "I've been wanting tell you that your wife has one of the greatest asses I've ever seen. I would love to fuck her." Strangely, I found myself really enjoying the whole process of talk-

They say wine gets better with age. Well then my wife has to be one fine wine.

We just celebrated our fifty-first year together and I had quite a surprise for her.

ing to him about fucking my wife. Over the next month my mind would wander to the two of them fucking each other's brains out. As for me, every time I fucked Adriana I knew that Harry would soon be enjoying what I was having. One Saturday Adriana asked if we could invite Harry over, so I gave him a call to set it up. I called and left him a message extending the invitation. She looked at me a little sheepishly, and then smiled seductively. I knew what she was thinking so I followed her into the bedroom and watched her look through her lingerie drawer trying to decide what to wear. Her tits swayed from side to side as she rummaged, and I couldn't believe that Harry would soon have his hands on them. I wanted to fuck her right then, but I decided it was better to save her for Harry.

Harry had returned my call accepting our invitation to dinner and some "fun" afterwards. Adriana said that she was a little anxious about his coming, and asked me if I could leave her alone with Harry for a while until she felt relaxed enough. When she felt comfortable with him, I could join in the action once it got going. I was fine with that and imagined myself walking in on Adriana offering Harry her pussy and it made me hot as hell.

Adriana was dressed and ready when Harry showed up. He came in and sat down and I offered him a drink, then told him I had to run an errand for an or so. I asked if he would just wait for a minute and said my wife was finishing dressing and she would come down. After I left, Adriana came out of the bedroom wearing a sexy button-front black dress which showed off her fine body. I drove around for about twenty minutes and pulled over to an adult bookstore. I parked and went in to look for anything that would further get me in the mood. I found a magazine and went back out to my car. I took it out of the bag and there within the first few pages was a layout of a younger man and an older lady. And it was hot. I instantly got aroused as I thumbed through the pages. I rubbed myself but held off, keeping my goodies in until I was back with Adriana and Harry.

I returned to the house and felt my legs go weak. I had never done this before and the expectation was making me nervous. The blood was rushing out of my brain and into to my cock as my mind was flooded with a variety of naughty ideas. As I walked up the driveway I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they had run off together! I couldn't wait to see just what if anything, was happening in the bedroom. When I opened the door, I was surprised to see Harry and my wife were stark naked in the living room. The dinner was sitting on the table getting cold, but the action in the living room was heating up. What I saw first was Adriana's bare butt. Her back was to me and she was squatting over Harry, who was laying on his back on our fine Oriental rug. From where I was standing I couldn't see his face, but his big cock was sticking straight up, waiting for my willing wife to lower her pussy onto it.

Adriana heard me come in and turned her head and gave me a sly little grin. She didn't seem like the shy wife I left behind an hour ago. I came in and saw Harry helping himself to her ample breasts, fondling and sucking them. Harry noticed me but did not miss a beat as he trust his cock into my wife's pussy. From my vantage point, I got the full view and it made me even harder. I quickly unzipped my pants to release my fury and started stroking myself. as he thrust himself into her she threw her head back and moaned, reminding me out our passion. I disrobed completely and moved closer and watched them as Adriana's pussy sucked in his long tool. She bent over him more as if to offer me a better view of her ass and I sat down to watch as his pumping inside her stretched out her pussy and made her butthole open and close in an inviting pucker.

After a few minutes, I could not contain myself any longer so I got up went around to the front of them I offered my throbbing dick to Adriana's mouth and she took it hungrily. I could not believe the feeling of her mouth around my cock because I had been waiting for a month for this. I somehow knew she was going to like it – and I was too. She reached up and grabbed my balls, which seemed like they were about to burst, she slid her mouth up and down my shaft, taking the head with her lips and flicking her tongue on it. In between licks she kept crying out about how big Harry's cock was, and every time she said it I thrust my dick deeper into her mouth. Harry looking at her lick my balls and thrust himself into her pussy even harder. I grabbed her big, soft breasts and pinched the nipples making her give out soft little groans of sweet pain. Harry's hands probing her puckered butthole as he pulled her hard against him. He stuck a moist finger in to the knuckle and as she moaned and grimaced, he shot his hot load into her pussy. I couldn't hold myself back any

longer and I spurt my load into her mouth. I was suck a big load, it came dripping out of the corners of her mouth, but the trooper that she was, she licked it back in with her tongue. She then got off Harry and turned around to find his still hard cock and began to lick her own pussy juice off it. I couldn't believe my luck, but I started getting hard again as I watched her lick his shaft and balls clean of his jizz. Adriana took him in and began deep-throating him, swallowing so much of his erect dick that her chin was jutting into his big pink balls. Her mouth was stretched to it's fullest, and she was gagging trying to get it all in. Not missing a beat, she began fondling my balls with her left hand, while she did the same to Harry with her right.

Adriana was on her knees, her head bobbing up and down on his dick, both hands busy fondling four balls. She would deep-throat me in our private sessions and now to see her doing it to Harry made me even harder. He was grunting now , shoving his dick deep into her mouth, making it disappear up to his balls. She moved her hand to my cock and began stroking me in sync with her mouthing Harry's cock. Somehow she sensed both of us about to cum again and she picked up the pace. Harry arched his back and I squeezed her hand on my cock as we both came at the same time – for a second time. This was unbelievable. I cannot remember when I came twice within an hour. Even more cum was shooting out of my dick as I watched her swallow down Harry's jizz. We finally too a break. Adriana went to clean herself up, while I fixed the three of us some vodka martinis giving up on the cold dinner sitting on our table.

We sat naked in the living room enjoying our drinks and conversation and reliving the evening's excitement. After a while Harry said he had to go, but had a great time. He got dressed and I told him I would see him at the office as I closed the door behind him. I turned back to Adriana as she looked at me and asked if I had fun. What a silly question, but I could not tell her that the climax of it all for me was watching Harry fuck my wife. While we have not made it with Harry again, there is another young stud at the office I just might invite home one day. I mentioned that to her but Adriana smiled and said that maybe next time we could try it with a woman. She said she has had this fantasy for more than fifty years and she is finally ready to try it. I smiled back and said that'd be fine by me! Let me tell you, that would be worth waiting fifty years for!

Lacey Westin is trying to get into movies. She's gone from 16mm to high def dvds. Now she's ready for whatever it takes to get that big break and we're here to oblige.

“I'm ready for my

close-up!"

Lacey is showing her wild side for the camera. She's ready to stuff her moist cunt with anything at hand. She wishes it would be a nice big fat cock that she could wrap her mouth around.

Her ass is beautiful and inviting. She likes it slapped, licked and fucked hard. She wants yours. Can you handle it?

She loves it when her ass is slapped. She loves getting fucked from behind. She'd love to do it in front of the camera!

Foreign sExchange Student

I'm Sylvie. I live in suburban New Jersey with my husband. Our kids have grown up and gone off to college. We decided we wanted to sponsor a foreign exchange studet this year. Jannicke was our first choice.

I'm Jannicke from Sweden. I come to America to continue my studies in pshyciatry. Sylvie and her husband have been very good to me and I want to express my appreciation to them. Especially Sylvie.

Nine months ago, my husband – Bernie and I decided to sponsor a college level foreign exchange student. Our own children had gone away to college and we just couldn't get over the emptiness in the house. After much discourse, we contacted an agency with our request – a female, preferably from a Scandinavian country, because of our heritage. Within a month we were contacted with a choice of five young women and we selected Jannicke, the psychiatry student. She seemed very nice in her pictures and the bio said she was respectful, a good student and a hard worker.

Six months ago Jannicke arrives at our door with the agent and a bunch of suitcases. We invite them in and sign the final paperwork with the agent. Jannicke is twenty and speaks English pretty well so we didn't have a problem communicating with her. The agent left and the three of us sat down for dinner. She said she had a long trip and would like to retire soon. After dinner we took her up to our daughter's empty room and left her alone to get comfortable. In the morning Jannicke came downstairs to the kitchen and said good morning. Since it was a Wednesday, Bernie had gone to work so it was just she and I. Over coffee she told me more about herself, her family and her schooling.

She was anxious to start school here in New Jersey. We chatted throughout the day as I helped her unpack and get her things in order. Bernie came home for supper and they got more acquainted. Last week Jannicke came home from class and looked exhausted. I asked why she felt so tired and she said she had stayed up most of the night studying and thought she didn't do very well on the test. I consoled her as best I could and suggested that she go to bed and rest. We had dinner and she went upstairs without wanting dessert. The next day Bernie was off to work as usual and Jannicke stayed home because she had no classes. This was the first time she and I had really been alone since she came six months ago. Everyone had been busy doing their thing during the week and on the weekends, when she wasn't studying, we would take her into New York City or travel around so she could see our little corner of America.

Jannicke asked if we could go shopping for some new clothes for her. She felt she needed a couple pieces of new underwear for the spring. We found Victoria's Secret and she was in underwear wonderland. Jannicke said she had heard of the store but it was too far away for her to go. I let her indulge in the satins and silks. She picked out a few things to try on and we checked out with a few bras and panties. Back at home she wanted to try on her new purchases and show them to me. I sat on the edge of the bed and she went into the bathroom to change. She looked great and the clothes were a perfect fit. I complimented her on her choices and she giggled like a schoolgirl.

All of a sudden her attitude changes. She looks at and starts to undo her bra clasp. I momentarily feel awkward and start to get up to leave. She says that I should stay and drops her bra to the floor. She rubs her breasts and asks if I would like to feel them. I say "NO!" but she says that they feel nice and firm and she would like me to touch them. By now I'm dumbfounded and don't know what to do. It's still a couple hours before Bernie comes home so I'm stuck. Jannicke tells me to relax. "I know you're nervous but I found you very attractive the first time I saw you," she says. I tell her I'm old enough to be her mother. That I AM a mother. "That's okay with me," she says. "I like you a lot and I want you." "Jannicke, I don't think this is right," I say. "But it can be. Don't you like me?" she asks. "You know I do. You're like a daughter to me," I say. "I can be much more if you let me." She says.

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down. She comes over to me and kisses me softly on my cheek and moves her face around to my kiss my lips. I find myself responding to her kiss and it feels warm inside. Jannicke takes my hand and raises it to her breast. I cup her boob and raise my other hand to her other one. I cannot believe I am doing this. I don't know how to love a woman, but I find my face drifting down her neck to kiss her breasts. My lips replace my hands as I gently but eagerly suck on her nipples. She pulls my head tighter to her boobs as I move from one to the other. They are perfect 34 Cs with full areolas and great nipples. I reposition myself, breaking contact with her breasts, so she takes advantage of it to pull her panties off. She moves in to undo my blouse but I tell her I was could not let her do that. She said she understood, but would I just do her. She has been away from home and did not like any of the boys or girls at her college. I felt a bit sorry for her plight so that made it easier for me when she came closer to me and sat on the bed next to me.

I'm laying naked on the bed and she is licking me. I have to close my eyes because I can't believe I'm in a lesbian love scene with a twenty year old Swedish student.

She said we should hurry because my husband would be home soon. I laughingly scolded her to stay away from him. She said she would because I was the one she wanted. As she lay back, she grabs my collar and pulls me down with her so my face ends up in her crotch. I say softly I've never done this before and don't know what to do. She laughed and said to do just what comes naturally and to think about what your husband does to you. My sex life with Bernie has improved ever since the kids left for college. We have the house to ourselves and don't have to sneak off or do it late at night when the were asleep. Bernie doesn't give the best head, but he is always eager enough to try and please me. So I start by licking around her labia, finding my way to her clit she grunts and tightens her legs around my head. I do the best I can in the tight space.

Her thighs loosen and I reach in and open her lips so I can go in deeper. My tongue penetrates her hole and she arches her back to meet my motion. Even though it's only been a few minutes, I think I'm getting the hang of it. There's a familiarity to her genitalia from being a woman, so I know how much pressure to apply and what to do with my tongue.

Jannicke reaches down to open her lips and I find her clit again, It is poking out and she begins to rub it as I lick lower down her opening. She lifts her butt up offering her butthole to me but for some reason I just couldn't go there. I did, however, insert my fingers into her pussy as she kept rubbing her clit. I started with one, then two, then four, leaving my thumb outside for leverage. She moaned louder as I found my fingers fucking her harder and harder. After a few minutes she screamed out in a frustration-releasing orgasm that I was taken aback by it a bit. Nonetheless, I helped finish and gave her wet pussy a little you're welcome kiss. Jannicke falls back on the bed and smiles at me.

As I get up to straighten myself out, she reaches into her school backpack and pulls out a clear plastic double dong. I can't believe my eyes. She's come 8,000 miles for this. Is this what she's learning in America. I am thinking about scolding her again. Jannicke comes over to where I'm standing and starts to unbutton my blouse. I was so hot and frustrated from our previous session that I let her do it. And then my pants came off. She makes me lie back on the bed and puts one end into my mouth. I really don't care for the taste of plastic, but this was scented strawberry and I didn't mind it.

I'm laying naked on the bed and she is licking me. I have to close my eyes because I can't believe I'm in a lesbian love scene with a twenty year old Swedish student. I open my eyes and look down at this blonde head between my legs. The sensations of her tongue and fingers on my pussy are overwhelming. Jannicke reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than Bernie. My body shudders at its penetration. I look at her and she has positioned herself between my legs and is putting the other end into her. I sense our time is running out so I begin to pump it furiously, and she does, too. Our rhythm is perfect and within minutes we both cum. And it is great! She tells me how nice that was. Did I like doing it? I confessed that I did even though I didn't think it was right. She said that she wouldn't let it happen again. I told her to be sure that it didn't – with a big wink. Fifteen minutes later Bernie comes home and I go to the kitchen to start dinner. I hear them in the living room talking about their day. A half hour later I say dinner is served. We finish and I offer dessert. Jannicke – with a big wink – passes, saying she had hers earlier.

Jannicke reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than my husband. My body shudders at its penetration.

I LOVE MY WIFE – AND HER SISTER

My wife is a special lady and I just had to write to you about her. I tried to get us onto The Oprah Show but they didn't want to hear it. Just because we had a little three-way.

HOW TO PLEASURE YOUR WIFE
THE ART OF MILITARY KNIFE FIGHTING
SIZZLING MILF ON MILF LESBIAN SEX PICTORIALS
PORN STAR SEX SECRETS REVEALED

It all started when I had an accident at work and was sent home for the day. My wife couldn't pick me up so she asked her sister to come and get me. She takes me home and helps me up the stairs. I hobble over to the sofa and she calls my wife. She tells her to please stay and make me as comfortable as she can. That she was leaving work early to come home and take care of me. The sister puts my leg up on the ottoman and I lean back on the sofa feeling the pain. It was not a serious injury, but just enough to get sent home.

After an hour of small talk, my wife arrives and she checks out my foot. She's a registered nurse and so she gets refreshes the ice pack and asks if there are any other pains. I jokingly say only the one in my pants. She rubs my crotch as is to search for it and I start to get hard right there in front of both of them. Her sister reaches over and unzips my pants saying that we need to take a closer look at the "ouchie." I felt they were making fun of me, but I wasn't about to stop them. Now, both women are on their knees on either side of me – one pulling my cock out as the other undoes my belt and pulls down my pants.

I start to mumble that I'm fine, but the words get stuck in my throat and I'm glad they did.

My wife starts licking me while her sister holds the shaft. Then she pushes my wife's head away and takes over. I can't believe what I'm seeing. Two hot chicks sucking on my dick.

Now I'm going to spare you the gory details from here on, but needless to say I called in sick the next day.

– Eddie from Pittsburgh

Ed – Eddie, damn you. Just when it was getting good you cut us off. We hope your foot doesn't heal!

A WALK ON THE WILD SIDE

I have something to say to all you divorcées out there who is looking to get laid again. I was in a terrible marriage. No love. No romance. And no sex! My husband and I hadn't made love in nearly five years.

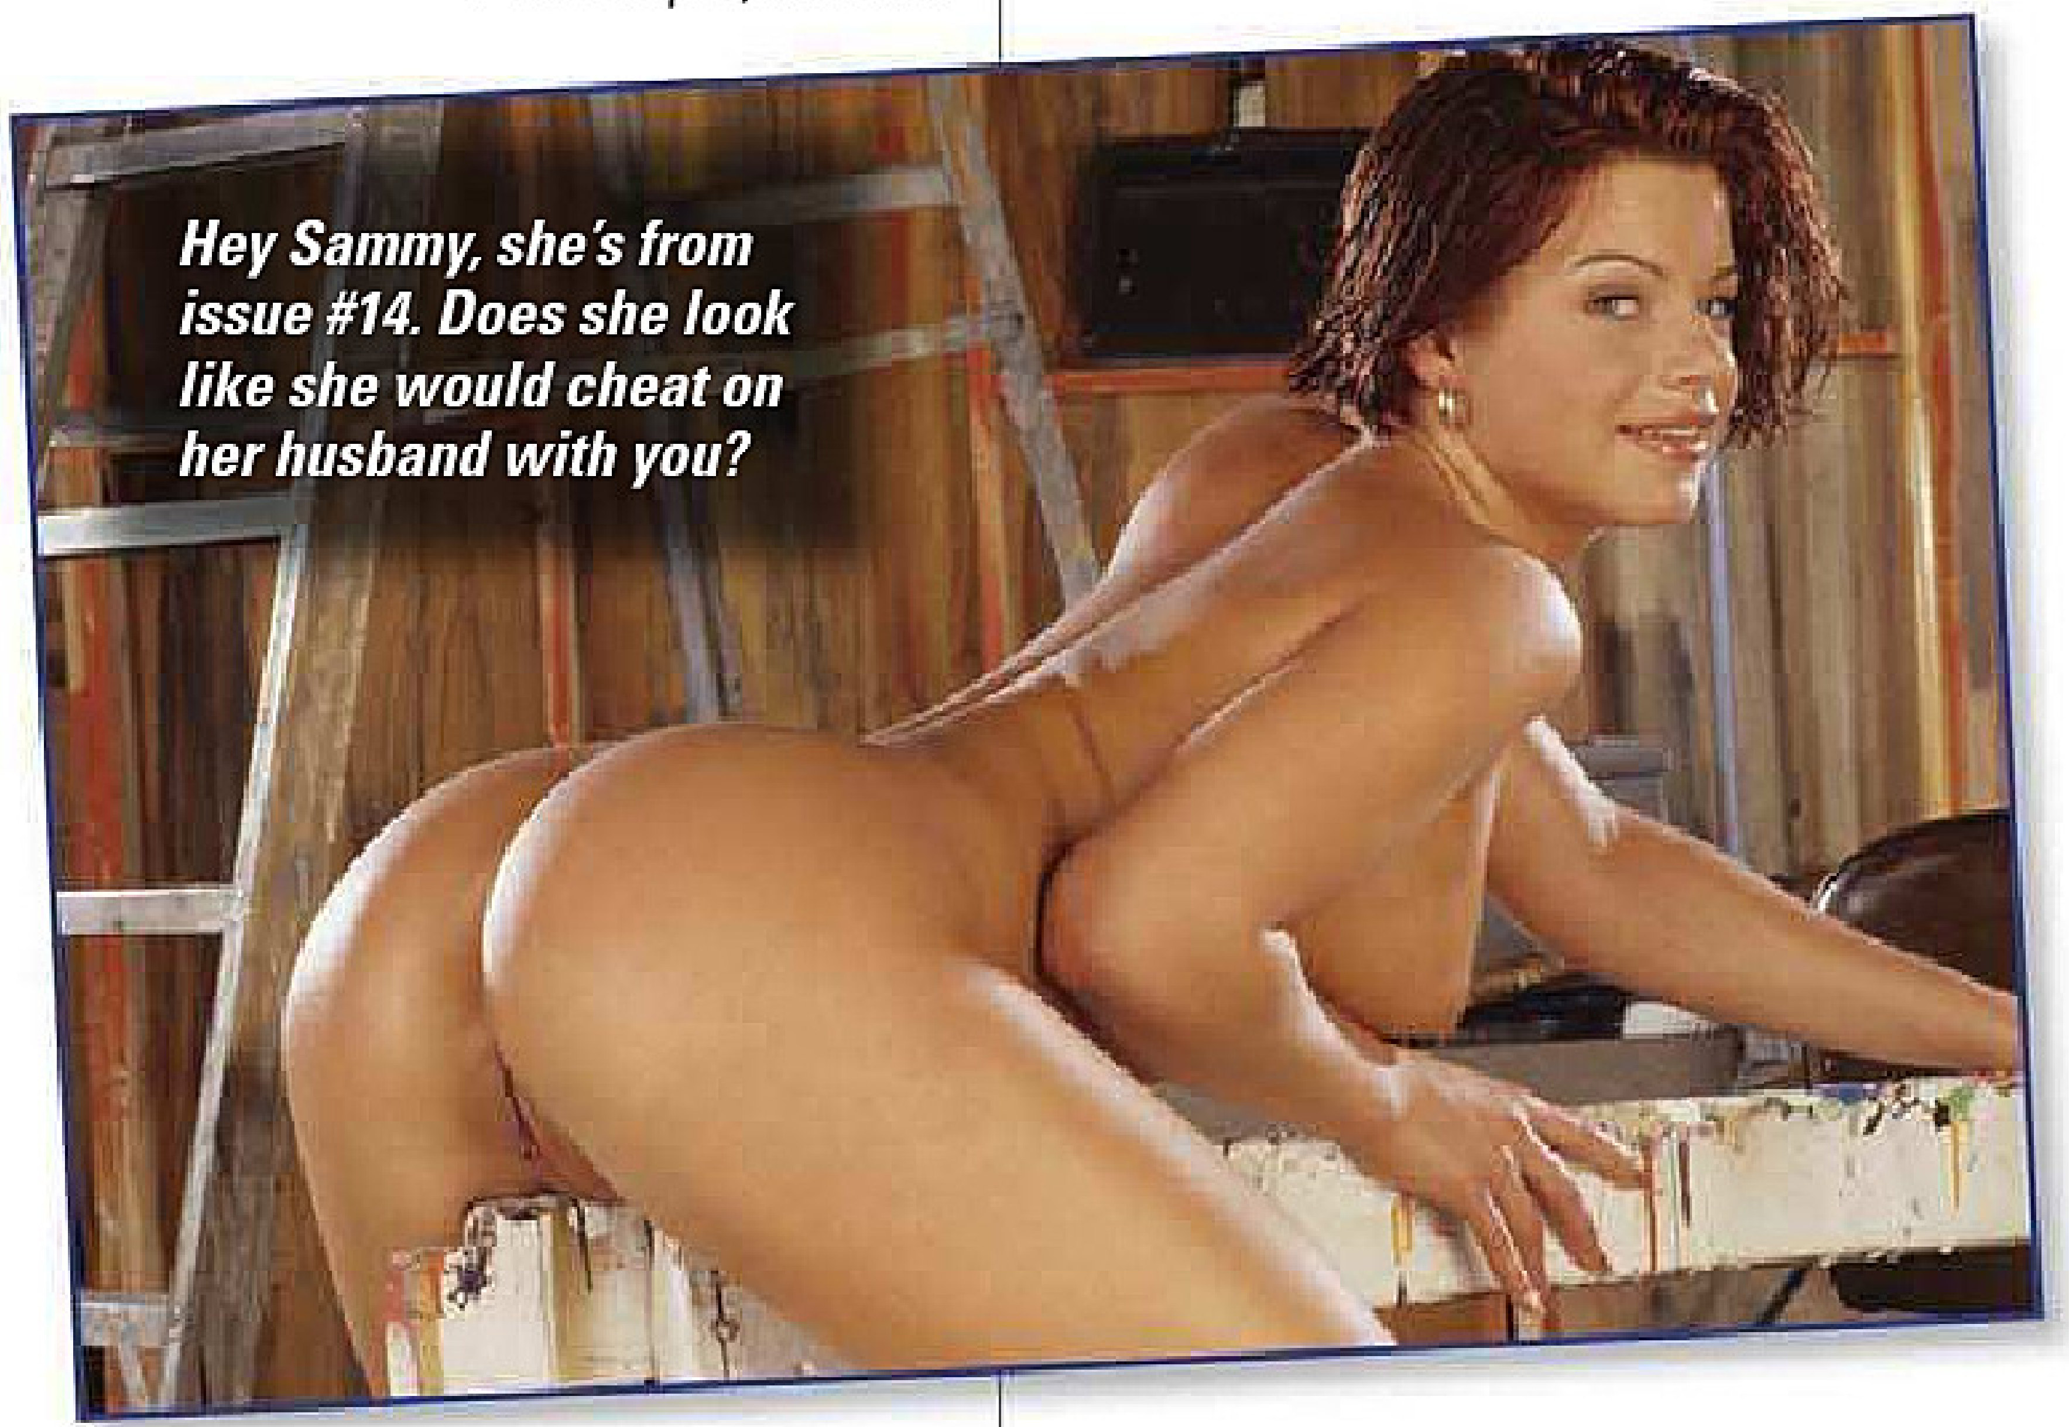
With his busy schedule and my apathy we went through our lives as virtual zombies. One day, before he left for work, he told me he wanted a divorce.

I was stunned but not really surprised. With that he left for work without saying another word. I felt my life about to crumble. What was I to do. I thought long and hard about it and decided I was going to fight for us. I thought, no, I hoped, that sex could change his mind; and probably change our relationship for the better.

The long day came to an end when he came home. Sullen and quiet, I saw him sit at the kitchen table and put his head in his hands. I came into the kitchen wearing nothing but an apron. I told him I was going to cook a last dinner for him. I think that may have changed his attitude. He seemed to perk up a bit as I walked over to the oven with my butt poking out the back of the apron. He stood up and walked over to me, put his hands around me and untied the apron strings. We kissed passionately, like we hadn't done for years, and had wild erotic sex right there in the kitchen.

This was on a Friday and we fucked each other in every room in the house for the next two days. He left for work on Monday morning, very tired, but with no thoughts about a divorce. Just goes to show that if you can put your pussy into it, you can do anything.

– Penelope, Miami



Hey Sammy, she's from issue #14. Does she look like she would cheat on her husband with you?

OLD FLAMES NEVER DIE

I recently saw my old high school girlfriend at a baseball game in our home town. I was getting a beer at the concessions and noticed her in the line next to mine. We were quite an item ten years ago but drifted apart after going to different colleges. I went over to say hi after getting my beer and she looked surprised to see me. I asked how she was doing and she said fine because she had just gotten married and was in love again.

I asked what she meant by again and she said she was in love with me, even through the years after we split. Man did that make me feel good, and bad. We talked a little longer and then went back to our seats. Why am I writing this letter to you? I remember reading a similar letter in your magazine a few issues back where the guy and the girl reunite at their class reunion. I'm going to call her again and try to find out how happily married she is. And if she's not, I'm going to try and get her back.

That letter has given me the initiative to try. If I succeed, I'll write to you again and let you know what happened.

– Eric, Los Angeles

UNWEDDED BLISS

I'm twenty three and I just bough an issue of Wild Wives. I can't believe the girls in the pictures are all married. None are wearing wedding rings, unless their all cheating on their husbands. While I would do any of them in a heartbeat , I wouldn't want the baggage that comes along with them.

If any of them just wanna fuck, you got my number!

– Sammy, the Bronx

dreaming with an angel

Mone Divine talks about her movies, vacation and sex; but mostly sex.

Booty Call: Hello Mone. You look divine. How have you been? It's been a couple years.

Mone: That's cute. I'm doing great. How bout you? Yes, it's been a couple. I remember we last spoke in Los Angeles when I was on this big movie shoot.

BC: Yes, we talked for a couple hours while you were in the make up chair. That was fun. How did the shoot go for you.

Mone: Oh it went fine. Mostly the same old stuff but I met some nice people and they booked me for a few more movies after that.

BC: We are here now and I need to know what you've been doing besides those movies.

Mone: I've been working for several companies and doing a lot of photo shoots. I've been traveling around the country doing appearances. And I just returned from a long vacation in Cabo. That was really invigorating.

BC: Sounds like you had a good time doing nothing.

Mone: Yeah, I did almost nothing for a few weeks.

BC: But now you're back to work?

Mone: Actually I start this weekend back in Los Angeles. My call time is at 10 am. I'm glad it's not at 5 in the morning.

BC: And what, may we ask, will you be doing?

Mone: I have a scene with two other girls. Kinda mini-orgy.

BC: Now that really sounds like fun. Care to elaborate.

Mone: It's a nightclub scene and I'm there with my two girlfriends. We get a little tipsy and start to kiss on each other in a large corner booth. After the last bottle of champagne is brought to out table, I'm suppose to take it and accidently on purpose spill it on my two friends. Our clothes get wet and we start to take them off.

BC: How convenient.

Mone: Isn't it. Then we're suppose to start getting it on with each other. We'll do it on the table, on the booth cushions and for the conclusion, the crowd is suppose to cheer us onto the dance floor where we finish our little sex act.

BC: The director must have some imagination.

Mone: It was actually my idea. He had us going into the bathroom and doing it there, but that was so old hat. I suggested that we do it right there in the club and let the audience watch. He thought that was great spin on it and wrote it into the script.

BC: Sounds like you might have a little director in you – pardon the pun.

Mone: Ha, ha. But you know, I am working up to directing. I've been in this business for more than ten years and I want to share my experience in another way with people. I think I can make a pretty good movie if I put my mind to it. I think I have some good ideas.

BC: Would you care to share one or two of them with us.

Mone: Well, I'll confess that I was in Cabo writing script outlines. I'm taking a class in script writing. As a director, I feel you must know everyone else's job, too.

BC: You're right. It pays to be well rounded.

Mone: So one of my ideas is to do a movie at a dinosaur dig site. The paleontologists discover this never-before-seen fossil and they celebrate – with sex.

BC: Wow, we'd like to be on that dig!

Mone: It's not quite that simple or that quick, but there is a lot of hanky panky going on in the tents and in the dig pit. In the first sex scene, I'm going to have two of the girls on the dig eating each other out and having sex using one of the bones they found as a dildo. Cool, huh? Then the lead digger, as I like to call him, gets blackmailed by the museum's lady rep by a blow job. But not just any bj. She does him in the dig pit and has her assistant assist. They pin him against the wall and you'll be able to see the creatures mouth right next to his dick, so Ill cut back and forth with shots of the girls mouth's open about to suck his dick with the dinosaur's mouth and his dick. Like they are the monsters. Pretty cool, huh?

"One of my favorite adult films is Zazel. The visuals are so cool and the story like is kinda interesting. And the women are just fucking gorgeous."

BC: That sounds like some - pretty cool stuff.

Mone: Yeah, Isn't it? There are a few more sex scenes, including one that has a couple of the diggers fucking in a jeep with a sandstorm blowing all around them.

BC: That sounds ambitious, How are you going to manage a dust storm?

Mone: I'm talking to a CGI guy to see if they can do it. They say they can but want to be there on the set to take notes and check angles and other stuff.

BC: Sounds like they want to get on a porn set.

Mone: That's okay. I don't mind. They too might learn something because they are kinda nerdy.

Maybe we can even get one a bj.

BC: That's quite generous of you. And what other type of movie will you be making?

Mone: I have a great idea to do a take on the Grapes of Wrath.

BC: The Grapes of Wrath? By John Steinbeck?

Mone: Oh you've heard of it. (chuckles) Yeah, that's the one. Those people had such a hard time that I imagine the only reprieve from such a hard life had to be sex. So they not only used it for making babies, but also for their for entertainment, too.

BC: This should be interesting, Can you describe a scene for me?

Mone: Sure, but I haven't decided if it will be a period piece or set in today's time. There is a family struggling to make a living and they are working the fields along with others like themselves. They work hard all day for the man, and go home to each other after the work day. They cannot afford any type of entertainment. The movies, ball games, even dinner out at a restaurant. There is an old guy in a wheelchair, kinda the patriarch, who convinces the women who do not go to the fields to put on a sexy show for their guys after they come home. Since many of them live together, it's seems like a natural way to relieve the men of their tiring and stressful days while providing some entertainment for both sexes. Cool idea, huh? I haven't yet decided if the men will join in the sex or just leave it to the girls to perform.

BC: We have to admit, that's a pretty unusual idea for an adult film.

Mone: Yeah, pretty cool. huh? I think for the ending I'm going to have the farm owner come to their house and walk in on the festivities, but I don't know if he'll get any nookie or not. Right now I'm thinking he'll come into the house and the women will do a reverse gangbang on him. He'll have no choice but to raise everyone's wages, then they'll all get Mercedes and go out to movies and have dinner at expensive restaurants and stop having sex. Kinda like real life, huh?

BC: Mone, this has been an unusual and enlightening conversation. I think you're on your way to directorial stardom with ideas like that. I can't wait to see them. Will I get an invitation to the sets?

Mone: Of course you will. A VIP pass to the set and I'll personally autograph my script and give you credit in the movie as a consultant and maybe even a bj on the side if you like.

BC: Oh yes, I would like, but I'm afraid I can't. I'm a married man, but I'll come to your set.

Mone: But are you sure you don't want to cum on the set? (Mone laughs as she gets up. I laugh too and watch her fine booty giggle as she walks off to the set. Cool, huh?)

The Good, the Bad and the Booty

MARIE'S LUV-ER?

I just finished looking at my Booty Call (EFG #17) with Marie Luv on its cover and I had to sit down and write you guys to see if you and run some more pictures of her. I'm one of her biggest fams and I have almost everything she has appeared in from movies to magazines. I follow her when she appears on the road at men's clubs and I have 25 autographed pictures of her. She is by far my favorite porn star of all time. I think she gives it her all when she is in movies and I love her facial expressions. She has great boobs, a tiny waist and one hell of a booty. Since I like the more petite girl, she is just my type. Everything I have of her I have doubles of. One that I can look at and one in a plastic bag that I seal up and store. That way when I'm older I'll still be able to see her just as she is today and the fantsay will never ever have to leave me.

OH, WE BAD, DUDE

Dudes – I can't believe you ran pictorials in the Booty Call issue with Marie Luv on the cover and all the sistas are with white dudes! Man can't a brotha get a break. There are some fine women in those photos but they're sucking white dick, dudes. I know those photos are set, and i know there are brothers in the business, so what gives? We're they all booked the days of the shoots. Were they asking for too much money? Don't the bitches wanna work with brothas? We're the ones puttin' our money down for these mags and we should see brothas in there too. I hope you guys smarten up and get some bros in those photos.

– Jamal S., Dallas

Hey Jamal, we get the "sets" from the photograhers and they set up the people in them. But we'll look a little harder for the comination of talent that makes you happy. – Ed

BRONZE BEAUTY

To the editor: Where did you ever find such a beautiful thing as Bronze, When I saw her photos, I was mesmerized. What beautiful eyes she has, If those are colored contacts, then they really look like the real thing. Everything about her was fine. Her hands and fingernails were gorgeous. I wish it was my cock that they were holding. Her mouth and lips are so sexy and sensuous that I do not know if I have seen finer. And her skintone was a beautiful bronze color offset by those eyes. And of course I cannot leave out those perfect breasts and butt. But I do have one complaint. Not enough photos of her pussy. I like what I saw with the bit of hair down there, but no pink. I hope you will do a pictorial on just her. no guys. I want to adore her without the male distraction and also so I can fantasize about ME and her. That would have been a perfect ending to a perfect girl. Thank you for sharing her with me.

– Dan, Tampa

Dan, we're working on a sexy solo pictorial with her. We'll take your advice to heart we hope to deliver what you want, so stay tuned. – Ed

Booty Callers and Letters

The Good, the Bad and the Booty

THE MAGAZINE HUSTLE

Last week I picked up your magazine and I have to say it was cool. I'm talkin' about *Booty Call* with Marie Luv. I get some of the other magazines once in a while but they have almost all gone soft. The latest *Hustler* has one sex set in it, some pretty white girls, and a bunch of stuff I don't give a fuck about. Then I look at yours and there are five smokin' hot sex scenes. The three black girls are just phenomenal, Sinnamon was my favorite. The two-girl lesbian pictorial is hot as hell dildoing each other in a locker room. That's hot. And Paloma. Damn, what a fox. She exudes sex and I loved looking at her suck dick and get fucked. The centerfold with the dick in her twat and she's lookin' at me. Now that's really hot! Most of the other stuff I don't care about, but compared to *Hustler*, I got more than my money worth. Just want to say keep up the good work and I can't wait for the next one to come out.

Yours in sex, Brian B., Jackson

SEX AND/OR POLITICS

Dear *Booty Call* editor,

I'm a suburban mom writing to you a bit on the down low so I may get interrupted at any moment and I'll have to go. But I wanted to tell you this and ask you something, too. I'm a black woman about 30, married to a white legislator here in the state capital. The reason that I say that is that my girlfriend in California saw your magazine at her boyfriend's apartment and called to tell me about the black girl/white guy hook ups. She knows me and my past and she called just to razz me a bit. I had done a few sexy shootings in the late Nineties and actually did a scene in a sex movie that never released. While my husband knows, we have kept it quiet throughout our relationship. I'm only writing to you with the understanding that you won't use my real name and address. So I ask a guy friend to pick up a copy for me saying I was researching a story. I got it from him and looked at the pictures and they were really great and hot! The three black girls were all gorgeous. The fact that they were doing white guys also intrigued me. I love the contrast of the two skins on each other. A black hand around a white cock. And a white cock in a black pussy. (I can't believe I just wrote that) Now that I've said all this, I got excited thinking about my old sexy days and am thinking about reliving them somehow. I love my husband, but the political life does not leave much room for fun – or sex. I love my husband, but I want to taste the forbidden fruit. I love my husband, but I want fun in my life. Can you help?

SINNAMON SIZZLES IN SEX

Name withheld upon request.

Dear political wife, While we loved your letter and appreciate your plight, living out your fantasies with other people while inside a marriage, and without your partner's knowledge and approval, is something we do not condone. Perhaps you can persuade your husband with some sexy conjoling. Show him our magazine while you coo about how sexy the photos are. Start in the privacy of your bedroom with some digital pictures. Try making a video with him for some added romance. Just be sure to not let it get out. *– Ed*

SEMEN ON BOARD

It's cold and snowy in Detroit so I took my wife on a cruise in the Caribbean. We were having dinner at the captain's table when my wife started getting frisky. We were making small talk with the others around the table as she ran her hands into my crotch. I almost spilled my drink as she found my cock and squeezed it through my pants all the while turned towards the captain and talking with him. Fortunately, the tables have long tablecloths to cover her actions. After a minute she found my zipper and quietly pulled it down, got through my underwear and took my cock out. I was already hard so she had no problem finding it. I tried to focus on the table's conversation, but found myself missing a few words here and there. I would try to hide my pleasurable angst by drinking more than I should, but it felt good and I was not going to stop her. Ten minutes into this little scene, some people finished their meal and left the table taking the captain with them. That left me and my wife and two other couples on the opposite side of the table. I felt they could not see or guess what was going on so I let her continue stroking my cock. By now she had released my balls from their cotton prison and I was a free man. She pinched them just right to take it up a notch on the pain-is-pleasure meter. But it was her perfect strokes that got my blood rushing and after a few more minutes I came all over her hand and my pants. I muffle my groan and a moment later she spills her wine "accidently" in my lap. Taking her napkin, she wipes my crotch being sure to smear the red wine all over. My wife. I think I'll keep her.

– Henry, Detroit
